Re: MB Docket No. 03-15
Grant Broadcasting System II, Inc.
WFXR-DT, Roanoke, Virginia (Facility ID No. 24813)
Withdrawal of Request for Waiver and Extension of DTV
Maximization Interference Protection Deadline

Dear Ms. Dortch:

Grant Broadcasting System II, Inc. (the "Company"), licensee of television station WFXR-TV, Channel 27 and permittee of WFXR-DT, Channel 17, Roanoke, Virginia, by its attorneys, hereby withdraws as moot the Company's June 30, 2005, request for waiver and extension of the July 1, 2005, "use-it-or-lose-it" DTV maximization deadline established in the Commission's September 7, 2004, *Report and Order* in MB Docket No. 03-15.¹

Commission action on the request for waiver and extension no longer is necessary because WFXR-DT has begun operating under program test authority with the facilities specified in its DTV maximization construction permit File No. BMPCDT-20051208AAY; the Company filed its covering license application (File No. BLCDDT-20060303AAE) on March 3, 2006.
